

TRUMPUS RUMPUS:
A diatribe about the 45th President of the USA

To make Amerika grate again
& turn the country into a dump
dare is no better person
than Donald J. Trump.

Nobody knows how ta ruin a demo-krassy
like the Don: Yep! He'z got dah balls
ta move Amerika far raight
as this planet falls.

Stuff yah hear on da news:
dhats a liberal kunspiracy:
If yawh wanna dah Twittered-Truth
lissen ta Ronald Donald faithfully.

Yep - You betccha!
The Tangerine Tornado is
gonna tern dings around:
dishing out gifts to supporters
& puttin' everyone else down!

Terri: To me, people like Trump and Joseph McCarthy are psychic vampires. If you allow them, they will suck up your energy. They feed on negativity.

Kris: Yeah. (shrugging her shoulders) Perhaps its wisest ta ignore this fool.

Tim: Hmm. Quietism is not an effective solution . If Trump were merely a reality tv producer, we could be quiet. However, this ego-maniac controls a multi-trillion dollar defense budget and thousands of nuclear warheads.
