

Pan-Asian Pulses: Poetry, Art, and Dialogs about Asia

An-Yi: Do smells have form?

Chariya: Isn't that a question for a neuro-biologist? Smells can elicit memories and associations. However, the alchemy occurs inside our minds.

Bhāraté: What I find fascinating is synesthesia. Some people associate sounds and smells with certain images.

Daiki: (feeling bored) . . . and what does this have to do with Thailand?
