

Let the waters be my witness: Messages about our watery world

## ECO-CREED: An appeal for eco-friendly living

**Lissen**

**Des here planet shelters meny inebriants  
nut murely hyuman boengs**

**De oceans ar reposatories ov lafe  
nut garbuge dumps ar latrunes**

**Uur forusts ar precoous eco-sestems  
nut paper-predating fucktaries**

**De eir es fell ov vibrince  
nut a place fir smykustacks  
ta bilch os dey dam please**

**We only burrow the rusources areund us  
end ure port ov a Great Ricycling.**

**Ramembaring thes  
shiuldn't wi wulk mare lightle?**

TN

**Andrzi:** Yah kno', sum times I can't tell whet'er zis dude iz serious or jokin'.

**Soo:** Perhaps de message is so serious dat humor is needed ta make it more approachable.

**Julzs:** [switching accents] The bloke sounds a wee zonkered tah me.

**Philgra:** Yeah & he treats many problems too glibly.

**Ellzsha:** Well, don't most of us vacillate between guarded optimism & deep-rooted angst?
