BETWEEN TIME: **A Metaphysical Conversation**

Miok: This image seems cut-up.

Chris: Is that a coincidence?

Tim: No. Isn't it what the world does to us? The world is a giant grist mill, and we come out of it only as dust.

Cantara: That's true. However, you are overlooking something important.

Chris: Huh? What's that?

Tim: The mill polishes the grist. We should be grateful for that.
