

How Weird: Out of the Box of Expectations

AZURE GLORIA: **An Affirmation of Joy**

Nadia: What is this euphoria about?

Wan-Sze: I could invoke some master narrative to attempt an explanation, but would that help?

Nadia: No. Ultimately, we are left with unknowing.

Kasim: Agreed. Ecstasy is inexplicable unless we examine brain chemistry. There – in the millisecond kiss of synapses – the dance of delight occurs.
