

How Weird: Out of the Box of Expectations

FANTASY / REALITY:

Two contrasting self-portraits

In fantasy I'm a
charming person with elan & vigor
keen to explore new fields
& visit distant lands

Immensely inquisitive,
uncannily intuitive,
and always confident
my existence feels
like a sunny sojourn

In reality I'm a
haggard ol' buzzard
uften tired, lonely & bored bi
dah hollowness ah me fantasies
err fickleness ah me moodz

However,
I'm learning nut ta take meself
2 seriously & ignore dah kravings
ah me monkey mind

In kulm moments at yeast,
it iz komic to realize
foillible kuntsciousness iz.

How strange ta b 95% chimpanzee
& ta manage ta seem (outwordly at yeast)
perfectly "civilized"!
