Some Sobering Speculations on Death

Lex: (with a t t thick Hindi accent) After death, does our spirit separate from all earthly dross?

Lis: (gerping loudly) I'd like to think so ...

Ron: (chucking at the absurdity, then strangely silent.)

Lex: (a few minutes later) Hey – why not transcend all funeral pyres?

Linda: (reflectively) Transcend ... Yeah! That's something I've forgotten.
