

# FOR HER:

A Bit of Hyper-hormoned Hokum

**Bai-Luo:** When our hormones are in full swing, even a mule can seem like a goddess!

**Cindy:** Isn't that what Shakespeare pointed out in *A Midsummer Night's Dream*?

**Bai-Luo:** Indeed. Passion easily makes fools of us all.

**Aiko:** (chuckling) Isn't there a way to enjoy the play of romance without getting lost in it?

**Bai-Luo:** I'm not sure, but for some the fun is in getting lost . . . in a sense,  
I suppose that's one form of transcendence!
