

LOVE GRAMMAR:

Studying the Syntax of the Heart

Aiko: Isn't this guy making fun of love?

Bai-Luo: Absolutely. Anyone who takes love seriously is in serious trouble.

Aiko: But if we jest about love, what is serious?

Bai-Luo: Only death.

Cindy: Why not the other way around? Why not be light about death,
but serious about love?

Bai-Luo: I never thought of it that way.
