

# CAREFUL NOW

Some thoughts about vigilance

**Satoru :** If we interpret this sphere as our planet, the message is clear.

**Frida :** I prefer to think of it as an atom.

**Satoru :** Either way – we've got to be more careful.

**Dmiritri :** Yeah. Most of us are too short-sighted and careless. (looking at his watch) The next global disaster seems like just a matter of time.
