

SO EASY?

Questioning Jeune Existence

**when
you forget dah past
and don't worry about dah future
life is a comfy escalator ride**

**when
yer body is healthy
and mind challenged
how simple it is ta be alive**

**but
when ya take a close look
at what's happenin'
around dah planet**

**plati
tudes cr
ack**

**simpli
city is sm
ashed**

**what'z
so easy about how
we fight 'n struggle
ta survive?**
