

STØRIES:

A Post-Literary Construction

Storryes are chains uh avents
un shuddows ahh anbrykon strings

They are chroniclis of the piss
en reinvenshuns uhh the self
an ultimoot farms of vanity

Each starry is dyfferunt
yet manny shure cummon traats

Every storrie is laike a fongerprente
an link through threadis

uf thyme
mysteriously kreating
kausal shapes which almost milk
us believe dare is
sumding mure dan
mure wartstu lynes

Jane: Is this a poem?

Jack: Well, it is hardly a story.
