NODIND: Reflections on moral imperatives

Shuld I mind lies and falsehoods since they're part uf laife? Shuld I mind discarding principles if it seemz necessary ta survive Sbuld I mind paying taxes tab support madness it seemz useless 2 fight huld I mind obeying syst which ignore buman raigh v brain is a mer spream of chemical spikes whose reactions are manipulated Government and Corporate who do mind work carefully to insure their SCHOSE seem 1

Anya : (shaking her head) I detest this sort of moral turpitude. Devani : (nodding) Yes. Too many people are morally disengaged.

- Carlos: It's easy to feel disengaged. Isn't it away to be insulated from pain?
- Brice : Yeah. It hurts to care . . . I understand this all to well.
